Embedding YouTube Video

Iframe in Dreamweaver (from youtube)

What works:

<iframe width="560" height="315" src="http://www.youtube.com/embed/UWQd-NZcb6Y?rel=0" frameborder="0" allowfullscreen></iframe>

Current iframe from youtube:

<iframe width="560" height="315" src="//www.youtube.com/embed/UWQd-NZcb6Y?rel=0" frameborder="0" allowfullscreen></iframe>

Need to add **http:** before the //www.
